

# **PLANT SWOP**

**SATURDAY 10th MAY 2025**

**10.30am—12noon**

**Methodist Church, Moor Lane**

Why not come along to our Parish Council Plant Swop on Saturday 10th May to pick up some young plants for your garden. If you have any unwanted seedlings, cuttings or excess of plants (eg plants that you have divided or that no longer fit in your planting scheme) please bring them along to share with the community. Refreshments will be available, so please come along for a cuppa and share your gardening advice! Those of you bringing plants/seedlings please can you come along for 10am to set up, otherwise look forward to seeing you between 10.30am-12 noon!
