

ROWTON PARISH COUNCIL
ANNUAL COMMUNITY CLEAN UP
SUNDAY 11 AUGUST
10.00 am VILLAGE GREEN

Parish Councillors will be organising our first Annual Cleanup Day. The objective is to finish the day having improved the public spaces. We will be doing things like cleaning notice boards and signs, litter picking, fixing the bench and painting the storage box on the Village Green. As the day draws to an end we will finish with some light refreshments. There's plenty on the to-do list and we would love to be joined by any parishioners who would like to help out.
